

**Kiwash Electric Cooperative  
Wants to Give You  
A  
Free Home Energy Makeover**

**Kiwash Electric Cooperative** announces their 3<sup>rd</sup> annual Home Energy Makeover Contest. The contest is available for members who want to improve the energy efficiency of their home and save money. Touchstone Energy<sup>®</sup> and Kiwash Electric will provide up to \$3,000 of energy efficient improvements to your home.

Some makeover projects may include: heating & air conditioning improvements; the addition of insulation; replacement of lighting; installation of programmable thermostats; replacement of hot water heaters, windows and appliances; designing and installing energy efficient landscaping; and educating the lucky winner with a list of energy efficient tips to offer even more savings. This program will demonstrate how a reasonably small investment can make a big difference in your electric bill. A Kiwash energy audit will determine the exact makeover items required for the home energy improvement contest and Kiwash reserves the right to pre-inspect all applications for eligibility prior to the announcement.

Enter today so you can save energy and money tomorrow. Fill out the application below and mail it to Kiwash Electric Cooperative, Attn: Home Energy Makeover, P.O. Box 100, Cordell, OK 73632 or download the application at [www.kiwash.coop](http://www.kiwash.coop) and email it to [Kiwash@kiwash.coop](mailto:Kiwash@kiwash.coop). In the subject line, please write Home Energy Makeover.

Application deadline is Friday, July 23 at 5 p.m. The lucky winner will be announced at KEC's Annual Meeting on Thursday, August 19.
